Within 60 days of Applicant's completion, Applicant will provide the District with as-built drawings of Applicant's Utilities. The District, in its discretion, may require an inspection of Applicant's Utilities to ensure compliance with this Permit. 15. If Applicant fails to perform any of Applicant's obligations under this Permit within a reasonable time following request or demand from the District, the District may perform Applicant's obligations and may recover its costs incurred by assessing the costs against any property owned by Applicant in Traill County, North Dakota, including any attorneys' fees incurred in attempting to collect the amounts due, or by other legal means of collection.
16. The failure or delay of the District to insist on the timely performance of any of the terms of this Permit, or the waiver of any particular breach of any of the terms of this Permit, at any time, will not be construed as a continuing waiver of those terms or any subsequent breach, and all terms will continue and remain in full force and effect as if no forbearance or waiver had occurred. Upon the occurrence of any default by Applicant, the District may, immediately and without the need for any prior notice, declare this Permit void and may otherwise enforce the provisions of this Permit and take any and all other actions necessary, in law or in equity, to collect all amounts due under this Permit or to enforce any of Applicant's other obligations under this Permit. The remedies provided for in this Permit are cumulative and not exclusive, and are in addition to any and all other remedies available to the District under North Dakota law.
